# 3 *Yesu alitoka kwa Baba...#9*

1 Yesu alitoka kwa Baba,  
Na alimdhahirisha,  
Akatuonyesha ukweli,  
Tujue kusudi lake.

**Na tufuate siku zote,  
Katika hatua zake,  
Tukimtegemea Yesu,  
Tushinde kwa jina lake.**

2 Giza zito linatawala  
Pande zote duniani,  
Kama tukifuata Yesu  
Tutaenenda nuruni.

**“Na tufuate siku zote,...”**

3 Alitoe maisha yake,  
Wafungwa waokolewe,  
Akatuma mitume wake,  
Waeleze njia yake.

**“Na tufuate siku zote,...”**

4 Atakaporudi Mwokozi,  
Atamshinda Shetani,  
Ndipo giza litatoweka,  
Mungu atatufariji.

**“Na tufuate siku zote,...”**

## 5 *Close to the kingdom...#168*

**1** Pedyo noushe,  
Kunze uko,  
Uri pasuo,  
Wamirirei?  
Chipinda mahuri.  
Mwari akunatse,  
Denga roonekwa,  
Wamirirei?

**2** Ushe hwaMwari  
Huri pedyo;  
Dai ungarega  
Zvivi zvako;  
Ndiwe wofanira  
Kusarudza woga  
Kupinda musuo

**3** Pedyo noushe,  
Watyirei?  
Jesu aripo  
Pamusuo;  
Wakakumirira  
Kukugamuchira  
Norudo rukuru;  
Pinda naye.

## 6 *As my hart so swaar...#287*

**1** As my hart so swaar belas is  
En ek glad nie kan verstaan;  
Dit waaroor ek geen beheer het,  
Laat ek in sy hande staan.

**Ek laat alles oor aan Jesus,  
Want ek weet dat Hy verstaan;  
Dit wat ek nie kan verander  
Kan maar in sy hande gaan.**

**2** Mensehart stel dikwels vrae  
Hoe dat goed van kwaad verskil;  
Maar die antwoord is in Jesus,  
Ons meet alles aan sy wil.  
**"Ek laat alles oor aan Jesus,..."**

**3** Elke dag kyk ek na Jesus,  
Niemand is so lief, so sag.  
Alles aards wat mens hier koester  
Moet tog agterbly eendag.  
**"Ek laat alles oor aan Jesus,..."**

**4** Eendag sal elk' oog Hom raaksien,  
Lewend, heersend oor almal;  
Dan moet groot en sterke nasies  
Voor Hom buig en voor Hom val.  
**"Ek laat alles oor aan Jesus,..."**

## 7 *Daar Is Geen Vriend Soos Jesus...#27*

**1** Daar is geen vriend soos Jesus  
In hemel of benee'.  
Sy Naam verander nooit nie;  
Sy liefde bly Hy gee.  
Vir my te sterf moes Jesus  
Sy vaderhuis verlaat.  
Ek het Hom lief, want Hy het  
My eerste liefgehad.

**2** My siel beswaard; die onrus  
Was vir my hart te veel.  
Die vrees, gewek deur sonde,  
Was hier my daaglikse deel.  
Sy stem spreek uit die hemel,  
Gods boodskap van gena'.  
Ek het Hom lief, want Hy het  
My eerste liefgehad.

**3** Hoe groot is my verheuging!  
Die Lam van God se pyn  
Bied aan my siel verlossing,  
Gewas van sonde rein.  
Verenig met gesalfdes,  
Breek aan die daeraad.  
Ek het Hom lief, want Hy het  
My eerste liefgehad.

*Is there anyone can help us...#47*

**1** Ngubani ongasisiza, oqonda inhliziyo,  
Laph' ameva ehlaba kuze kophe,  
Yena osihawukela, asinike ngothando  
Isibusiso esisidingayo?

*Jesus is still the same*

**1** Jesus is still the same  
And ever will remain  
Through time to come;  
Though born in low estate,  
Not ranked among the great,  
He is the only gate,  
God's own sent One.

**2** "Jesus, control my heart;  
Help me to do my part  
From day to day;  
Help me to yield to Thee,  
That I may always be  
An off'ring glad and free,  
In Thine own way."

**3** Some bright, glad day His own  
Shall stand around the throne -  
A victor throng:  
The bitter conflict o'er,  
Sickness and death no more,  
Singing on that blest shore  
Redemption's song.
