20 *From heaven's glory*

1 From heaven's glory,
From His radiant throne above,
Came our Redeemer
In His wondrous love.
Oh, what pain and sorrow
Jesus suffered on the tree
As He died for sinners,
Died for you and me.

**Saviour, my Saviour,
Thou hast died to make me free;
Help me to serve Thee
Till Thy blessed face I see.**

2 Faint and forsaken,
Out on Calvary's mountainside,
Jesus, my Saviour,
Bowed His head and died.
He, our hope and surety,
All this suffering meekly bore,
But He rose triumphant,
Liveth evermore.
"Saviour, my Saviour,..."

3 How can we grieve Him -
Jesus, blessed Son of God -
Him, who so freely
Gave His precious blood?
With no hand to help us,
Drifting to a hopeless grave,
Jesus paid the ransom:
He alone could save.
"Saviour, my Saviour,..."

4 Come to the Saviour,
With thy weary load of care;
Tell Him thy sorrow;
He will hear thy prayer.
He will loose thy burden,
Make the victor over sin;
He will fill with gladness
All thy heart within.
"Saviour, my Saviour,..."

30 *We have found him*

1 Ye who trace with weary hearts and sad
Those blest scenes of Galilee,
O rejoice and be forever glad!
"We have found Him - come and see!"

**"We have found Him! - Joy of the Ages!"
And our song with heaven's gladness rings:
"We have found the Christ of whom the
prophets spake;
We have found Him, King of kings."**

2 Ye who hunger for the living word,
Ye who thirst for living springs,
Come, each waiting heart with joy is stirred
By the song the herald sings.
"We have found Him! - Joy of the Ages!..."

3 This same Christ who taught beside the sea
Walks upon the earth today,
And He comes in lowliness to thee,
Templed still in mortal clay.
"We have found Him! - Joy of the Ages!..."

4 "We have found Him!" Bear the tidings far,
Wheresoever men are found,
Until all who seek the Guiding Star
Shall in light and peace abound.
"We have found Him! - Joy of the Ages!..."

101 *Hier in u Naam, O Heer...#172*

1 Hier in u Naam, O Heer, vandag
Ontmoet ons ned'rig, bly;
Help ons te spreek en bid en wag
U seën te verkry.

**O Heer, laat nou u seën ons bestraal;
In harte wat nou biddend wag
Mag volle seënstrome ryklik daal.**

2 Alleen met U, o salig' tyd,
Geen sorge en geen vrees;
Ootmoedig kom ons toegewyd
Biddend in hart en gees.
"O Heer, laat nou u seën ons bestraal;..."

3 Alleen met U, behoefte voel
Ons, Jesus, aan u bloed.
Reinig ons hart, gedagte, doel
Wil Self ons siele voed.
"O Heer, laat nou u seën ons bestraal;..."

4 O Heer, vandag mag daar weer styg
n Nuwe lied so soet,
Van lof en prys wat kan getuig
Van redding deur u bloed.
"O Heer, laat nou u seën ons bestraal;..."

200 *Tungependa kumwona...#392*

1 Tungependa kumwona Yesu kwani,
Maisha yetu yapita hima,
Tumwone ili imani izidi,
Na tuwe thabiti hadi mwisho.

2 Tumwone Yesu, msingi wa mwamba,
Ambao twasimama juu yake,
Usumbufu wa maisha na kifo
Hautatutoa tukimwona.

3 Tumwone Yesu, kwa kuwa vingine
Tulivyopenda vinafifia.
Baraka za dunia zinapita
Haidhuru kwetu, twakujia.

4 Tumwone Yesu ili tuzidishwe
Furaha, nguvu na utayari.
Tumwone akituombea sasa,
Ili tusikihofie kifo.

10 *Is there anyone can help us...#47*

1 Ngubani ongasisiza, oqonda inhliziyo,
Laph' ameva ehlaba kuze kophe,
Yena osihawukela, asinike ngothando
Isibusiso esisidingayo?

**NguJesus, oyedwa,
Othandeka kuYise, nguYena!
Lapho izinkathazo
Nohlupho lufika,
UMhlobo othembekile, nguJesus.**

2 Ngubani ongasisiza, aphumuze isoni,
Nxa inhliziyo isindwa lusizi,
Onokusithethelela sibe nenkululeko,
Sihlanzwe ngegazi, sihlambuluke?
"NguJesus, oyedwa,..."

3 Ngubani ongasisiza es'godini sokufa,
Ozohamba nathi ebumnyameni,
Ozokhanyisa indlela axoshe ukwesaba,

"NguJesus, oyedwa,..."
