My heart is resting...#244

1 Nkosi, ngiphumule kuWe,  
Ngenhliziy o yonke  
Ngesemthongeni wempilo  
Ngenhlswé kahle;  
Ngizistsha esib' thaka  
Es' gwaliswa nguWe;  
Konk' okwezwe kwaluhleka  
Uk' geda ukoma.  
2 Ngomel' amanzi empilo  
Aphuphuma kuWe,  
Odhlula ukwazi;  
Ngikudumisa kabusha  
Ngomsa wakho, Nkosi.  
Makube udumo kuWe  
Manje naphakade.  
3 Ngiyabonga nangez' khathi  
Ngehluké kabi,  
Ngizibone nginelutho,  
Ngidima umusa;  
Nokho, nginefa phsheya,  
Engihlecinelwa  
Yisandla esangophela  
Ukuba ngilide.

When sore afflictions

4 Nkosi, ngiphumule kuWe,  
Sengitiondakele  
Ngayo yonke inhliziy o  
Ebongayo njalo,  
Kanye nestxuku sonke  
Sabahleng'weyo.  
Sikudumisa namini  
Ngexa yensindiso.

1 When sore afflictions press my soul,  
And darkness gathers o'er my way,  
I look above and trust in Him  
Who ever leads me night and day.  
2 When gloomy fears possess my heart,  
I seek the shelter of His breast;  
Where all is peace and joy and light,  
In confidence I calmly rest.  
3 What full provision God has made  
For those who daily seek His care;  
The pure in heart shall see His face,  
His ear is open to their prayer.  
4 The race is not unto the swift,  
The strong no glories ever win;  
The secret of all victory is  
Obedience to the Christ within.  
5 Then fainting not, I press along  
The path where He has gone before,  
The bloodstained path which leads to God,  
To heaven and home forevermore.

Kwa neema na nguvu zako,

Tumaini letu ni Mungu,  
Twaenda kwa nguvu zake.

Somtyds sit u en  
mymer...#133

1 Somtyds sit u en mymer  
En oor u lewe sug;  
Weet God wat dit gegee het,  
Eis dit weer eendag terug.

Waarom nou nie  
Alles Hom oorgee dat Hy u seën?  
Kom tog betyds, laat die Heer dan nou  
Sy liefd’ en lewe in u bou.

2 Eendag meen u, dien u Hom,  
Maar Satan hou sy mag;  
Wins en plesier bekoor u,  
Gou daal ’n stikdonker nag.  
“Waarom nou nie...”

3 Gods’ liefde bied u redding;  
Sy krag ontnem die vrees,  
Sterk u en maak u diensbaar  
Wat ook u lotmag wees.  
“Waarom nou nie...”

4 Wag nou nie meer tot “Eendag”  
Kom, bied uself Hom aan;  
Vrede en vreugd’, vergifnis,  
Gee God u nouvoortaan.  
“Waarom nou nie...”

Net Christus Kan Tevere  
Stel...#109

1 In U, o Heer het ek gevind,  
Gevind in U alleen,  
Die vree’, geluk waarna ek soek;  
Die vreugde ongekend.

Net Christus kan my tevrede stel,  
Geen ander naam vir my.  
Daar's liefde, lewe, sielsgenot,  
In Jesus te verkry!

2 Na rus en vreugd’ het ek verlang,  
Maar nie na U, o Heer.  
Terwyl ek U verby wou gaan  
Het liefde my gekeer.

“Net Christus kan my tevrede stel,...”

3 Leë vreugde het ek toe probeer;  
Die bronne stel teleur.  
Terwyl ek nog daarna wou reik,  
Word dors in my al meer.

“Net Christus kan my tevrede stel,...”

4 Verlore vreugd’ het ek between,  
Maar nooit oor U getreur  
Totdat ek deur genade sien,  
U lieflikheid, o Heer.  
“Net Christus kan my tevrede stel,...”
