Lay down your burden

111

4 Wakufofa, wena,
Akhawutle,
Ubafekele naka
Luka\Kuhumkhu.
"Muzwe Ebiza..."

1 Lay down your heavy burden,

O weary, sink soul;

Come to the Great Physician,

And He will make you whole.

The Master's voice is calling;

He shed His precious blood

That you might be forgiven,

Bringing you nigh to God.

Lay down your heavy burden,

O weary, sink soul;

Come to the Great Physician,

And He will make you whole.

O weary, sink soul;

Come to the Great Physician,

And He will make you whole.

2 Come to your soul's Redeemer;

His holy life He gave

That you might share His glory

Beyond the cold, dark grave.

Heed not the wily tempter,

Who bids you fear and doubt;

Come now and trust in Jesus -

He will not cast you out.

"Lay down your heavy burden..."

3 Peace past all understanding

Will fill your heart and life;

His joy and consolation

Will banish sin and strife.

His voice so sweet and tender,

So full of love and grace,

Entreats you. "Come, and welcome

And find a hiding place."

"Lay down your heavy burden..."

4 The night of death is coming;

Soon you must stand alone,

Your sins still unforgiven,

Before the great white throne.

Do not reject the Saviour

Until the die is cast,

Your life's short day is ended,

And you are lost at last.

"Lay down your heavy burden..."

Geen woord is onvervuld...#272

1 Geen woord is onvervuld wat God beloof het
Om ons te skenk tesame met sy Seun.
Sy woord is meer standhoudend as die heem'le;
Hy gee ons krag, Hy sal die wedloop seën.

2 Elk' woord is waar, want in ons tyd van smarte
Kan ons op sy vertroosting steeds vertrou.
Hy gaan met ons al is ons weg hoe eensaam,
Om so te toon sy mag om ons te hou.

3 Elk' woord is waar wat God ookal gespreek het;
Van die begin af bly sy woord steeds waar.
Ons gee gehoor en volg in Jesus' voetspoor,
Daar's niks te vrees want Hy sal ons bewaar.

4 Hy sal nie faal, wanneer ons aan Hom lewer
Ons aandgebed, die offer van sy kind.
Mag dit ons hoogste eer wees aan ons Meester,
Mag Hy 'n welbehae daarin vind.

Na Wie, Heer, Sal Ons Gaan?...#69

1 Na wie as slegs na U, o Heer
Kan ons met harteleed ons keer?
Te midde van aards' sorg en stryd
Leef u woord voort deur ewigheid.

2 Na wie toe kan ons gaan, o Heer,
Ons sondig' harte te bekeer?
U het ons sonde veel versoen.
Net u alleen, Heer, kon dit doen.

3 Na wie toe kan ons gaan, o Heer
As bitter wonde word al meer?
U hand deurboor bring heling mee;
Die Man van Smarte werk so teer.

4 Ons kom na U, die Christus, Heer,
U wat ons siel so na begeer.
Met liefde teer wen U ons hart,
Raak U ons aan, verdwyn ons smart.
