*Yesu alikufa*

1 Yesu alikufa kwa wenye dhambi,  
Acha dhambi zako umwone Mungu;  
Patana na Yesu, utakuwa hai,  
Kristo ndani ni taraja la utukufu.

**Umkiri na mwamini, Yesu, Mwokozi,  
Roho asitoke kwako daima.**

2 Akuita wewe, mwenye mizigo,  
Atakupokea akupumzishe;  
Muda wa rehema, ziache dhambi,  
Mungu atakusamehe akupe raha.  
**"Umkiri na mwamini, Yesu, Mwokozi,..."**

3 Ukisamehewa kwa kifo chake,  
Utaokolewa kwa uhai wake;  
Akaavyo mwako usiogope,  
Utashinda dunia, nafsi na Shetani.  
**"Umkiri na mwamini, Yesu, Mwokozi,..."**

4 Tangaza injili iliyo kweli,  
Umepatanishwa kwa kifo chake;  
Ukimfuata katika nuru,  
Damu ya Yesu itakutakasa kweli.  
**"Umkiri na mwamini, Yesu, Mwokozi,..."**

*Napenda kuona kwamba...#39*

1 Napenda kuona kwamba,  
Njia yake Mungu kwangu,  
Ni ile tu Bwana Yesu,  
Aliyokwisha pitia.

**Kuwapo kwa Mungu kwangu,  
Ni kimbilio milele,  
Ndiye tumaini langu,  
Ahadi zake zadumu.**

2 Pendo lake ndani yangu,  
Litanifundisha mimi,  
Jinsi ya kumhudumu,  
Na kushika njia yake.  
**"Kuwapo kwa Mungu kwangu,..."**

3 Mavazi yake ya tunu,  
Twavikwa tukikaa kwake,  
Walimwengu wadharau,  
Mede iliyo mbinguni.  
**"Kuwapo kwa Mungu kwangu,..."**

4 Karamu iko nyikani,  
Na mkate wa mbinguni,  
Waulao wataishi,  
Neno litawahuisha.  
**"Kuwapo kwa Mungu kwangu,..."**

*We have found him*

1 Ye who trace with weary hearts and sad  
Those blest scenes of Galilee,  
O rejoice and be forever glad!  
"We have found Him - come and see!"

**"We have found Him! - Joy of the Ages!"  
And our song with heaven's gladness rings:  
"We have found the Christ of whom the  
prophets spake;  
We have found Him, King of kings."**

2 Ye who hunger for the living word,  
Ye who thirst for living springs,  
Come, each waiting heart with joy is stirred  
By the song the herald sings.  
**"We have found Him! - Joy of the Ages!..."**

3 This same Christ who taught beside the sea  
Walks upon the earth today,  
And He comes in lowliness to thee,  
Templed still in mortal clay.  
**"We have found Him! - Joy of the Ages!..."**

4 "We have found Him!" Bear the tidings far,  
Wheresoever men are found,  
Until all who seek the Guiding Star  
Shall in light and peace abound.  
**"We have found Him! - Joy of the Ages!..."**

*Doen net U wil, Heer...#58*

1 Doen net u wil, Heer,  
U wil met my,  
U die Formeerder,  
En ek die klei.  
Vorm my en maak my  
Volgens u wil,  
Vol van vertroue,  
Wag ek nou stil.

2 Doen net u wil, Heer,  
Hou my hart sag,  
Toets my, deurgroond my,  
Meester vandag.  
Witter as sneeu Heer  
Was my tog skoon,  
Terwyl ek biddend  
Kniel voor u troon.

3 Doen net u wil, Heer,  
U wil met my.  
Moeg en gewond, Heer,  
Wees my naby.  
Krag, al die mag kom  
Net van U Heer.  
Raak en genees my,  
Heiland tog weer.

4 Doen net u wil, Heer,  
Ek wil U eer.  
Neem oor my lewe  
Volle beheer;  
Vul met u Gees my  
Dat almal sien  
Christus leef in my,  
Hom wil ek dien.
